SIR,

Subject - Construction of Temple by Adikarnatakas at Jalapuri on Site Nos 7 & 8

With reference to your letter No L 1466 dated the 23rd July 1947 regarding the above, I have the honour to state that I inspected the spot today and heard representations from both the sides A sketch plan showing the layout wherein the two Sites Nos 7 & 8 granted for the construction of a Temple is enclosed herewith for kind information On Site No 14 there is a building constructed belonging to one Mr Asadulla Khan and the layout provides for a conservancy lane 15' width between this building and the sites granted for the construction of the Temple as shown in the Plan Later this conservancy which was found to be serving no purpose was proposed to be handed over to the adjoining Sites Nos 7 & 8 Mr Asadulla Khan, owner of the building on Site No 14 has also submitted a petition objecting to the construction of a Temple abutting his property To avoid any ill-feelings among the communities on sentimental grounds and in the interests of sanitation, I think it is desirable to retain the conservancy as proposed in the layout plan thus providing for a separation between the Petitioners' property and the Temple The Licensees for the construction of the Temple will also be intimated to restrict the construction within the dimensions of the sites granted for the purpose without encroaching into the conservancy With this arrangement there should be no reason for the Petitioner to have any objection in the matter of proceeding with the construction of the Temple He has also been suitably endorsed

It is noted from the copy of the Telegram forwarded in your letter under advertence that it has been despatched by one Mr Khaleel It is ascertained from local enquiries that he has despatched the Telegram on behalf of Mr Asadulla Khan, the Petitioner, and therefore no separate

endorsement is required to be issued toMr.Khaleel

Dr C M Royan,
Minister for Education and Public Health,
Mysore Government,
Bangalore

Honoured Sir,

The Mohamadan population of " Jalapuri Extension" Lashkar Mohalla, Mysore beg to bring the following few lines to your Honour's kind consideration and favourable orders

vacant Block in our Extension has been reserved for our " own Community people" particularly to those whose houses were acquired by the Municipality within the City limits Accordingly many sites were distributed among our community people in this area -

Now it is learnt that these vacant sites have since been disposed of to the " Adikernatakas" for construction of a temple and an Hostel etc We therefore bring to your Honour's kind notice that the constructions of the above buildings will cause very great inconvenience to us, and disturb our peace and prayers and independence In a particularly Mohamadan locality it is not advisable to allow such buildings in the interest of both the communities

We therefore pray that immediate action may kindly be taken to cancel the grant of land to the Adikarnatakas and distribute the same to the Homeless people of our community or the existing vacant sites in the locality may be granted to the homeless people of any community

If required your honour may inspect the spot and

subject to the main file in the subject has been submitted to the Minister orders thereon will be communicated if approved

pass orders in the matter In the meanwhile orders may kindly be issued to the President, Mysore City Municipal Council, Mysore, stay atonce further proceedings in the matter

Thanking you for favour of early orders

We beg to remain,
